

- Does bidding feel like a minefield to you?
- Are you confused about how to put a bid response together?
- Are you looking for tips on how to best prepare bid answers or how to be better organised when facing the next bid?

If you have answered yes to any of these questions then this 1 day bootcamp is for you. The day is specifically designed for companies bidding for opportunities in the nuclear and defence sectors. It is compiled by bidding experts who have a proven track record of helping clients secure new business.

**Planned Syllabus:** this 1 day course will take you through the following bid process, so you will leave with the ability to better tackle your next bid.

## Bid Bootcamp Testimonials

"Identified the key time saving and success rate elements of a bid process. A really useful short course."

"This course is an excellent overview on bid writing that will maximise our chances of winning future opportunities."

"A great workshop with valuable insights delivered by a professional. Monica is clearly an expert in this field."

"The course was great! Although I have been working as part of a bid team for two years, I feel I expanded my knowledge even more."

"The course identified areas of bidding which I hadn't previously considered and improved my understanding of the roles other people play in the bidding process."
