Planned Syllabus: this training will take you through the following bid process, providing practical strategies and techniques you can apply to produce great, effective bids.

<http://bit.ly/bidbootcamps2020> to book your place

Who's it for?

The training is suitable for people that work for engineering, construction, or technical organisations that bid for projects in sectors such as: nuclear, defence or infrastructure. The course is suitable for beginners or those seeking a refresher.

Bid Bootcamp Testimonials

"Identified the key time saving and success rate elements of a bid process. A really useful short course."

"This course is an excellent overview on bid writing that will maximise our chances of winning future opportunities."

"A great workshop with valuable insights delivered by a professional."

"The course was great! Although I have been working as part of a bid team for two years, I feel I expanded my knowledge even more."

"The course identified areas of bidding which I hadn't previously considered and improved my understanding of the roles other people play in the bidding process."

Price for online training dates

£300 per person for the 2 day course.

Price includes: bootcamp workbook to take away and use back in your workplace, 2 months access to the exclusive post course online group, This boutique training will be limited to a small group of participants.
